A story of
pain, growth
and
intervention

Scene 1

VENGEANCE

Robot race, is taking over "green" alien species.

Green bodies are sacrificed to power the robots cores at a very fast rate.

When a green body is sacrificed a shock is absorbed by the robots.

These shocks power the robot race because fossil fuels are scarce.

Scene 2

VENGEANCE

Robot species clears out from the green planet. No more green aliens remain.

Robot species moves to a neighboring planet with blue aliens.

Robots begin harvesting blue aliens to power their race, but most of blue aliens are weak giving low power.

Robots consume blue 2x faster.

Scene 3

VENGEANCE

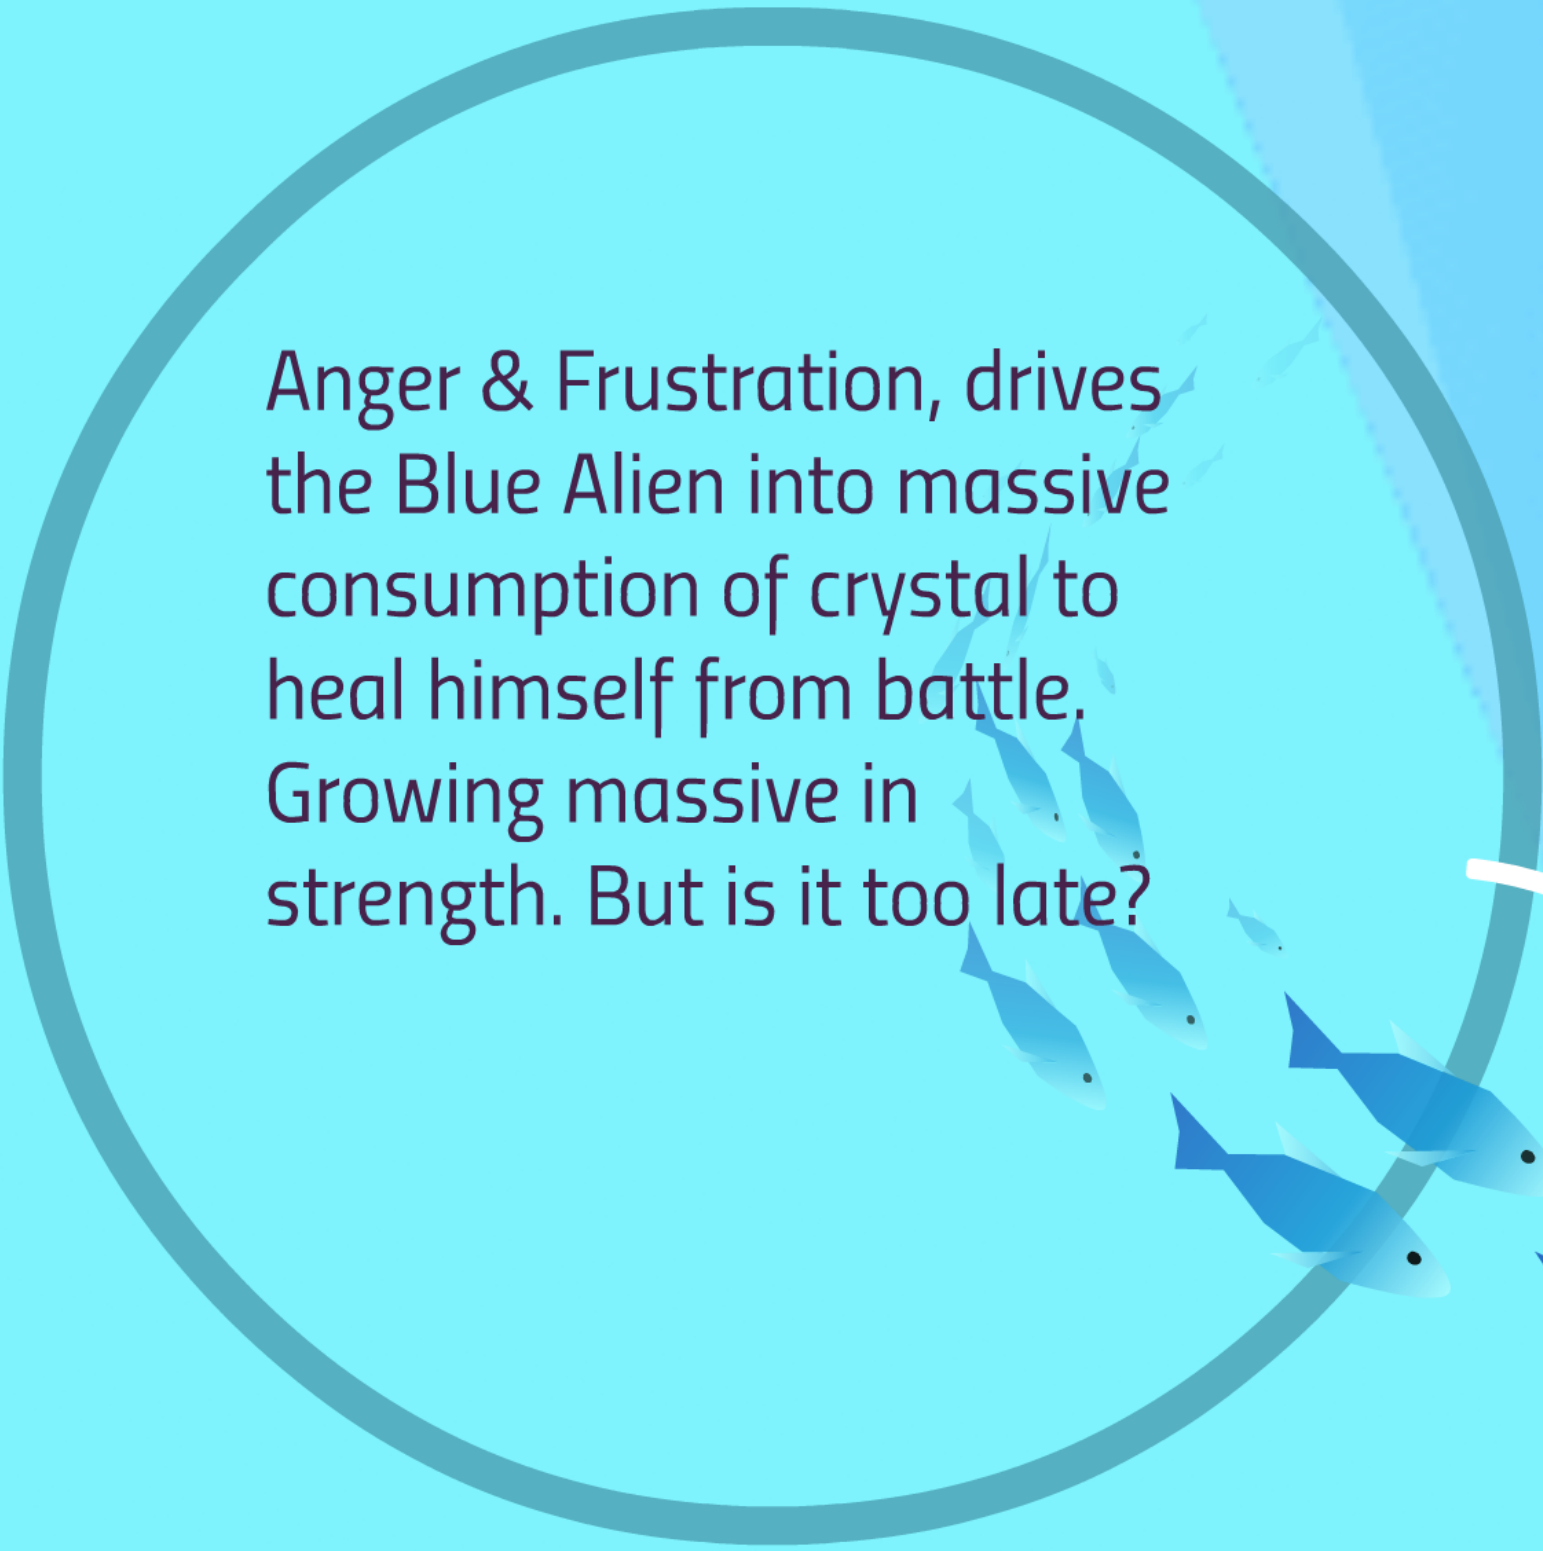

Anger & Frustration, drives the Blue Alien into massive consumption of crystal to heal himself from battle. Growing massive in strength. But is it too late?

Blue Alien is working mining blue crystals. Blue crystals are the food of aliens and reason for color.

Blue Alien returns back to family with crystals as he sees them being dragged away by robots.

Blue Alien chases down family but is confronted multiple times by robots.

Anger & Frustration, drives
the Blue Alien into massive
consumption of crystal to
heal himself from battle.
Growing massive in
strength. But is it too late?

Scene 4

VENGEANCE

Blue Alien gets to the Robot Harvest station.

On approach sees wife become executed from afar.

Starts ingesting insane amounts crystals to gain unimagined strength

Defeats lead robot guard and frees child.

Continues to fend off robot race on his planet in effort to end suffering... TBC
